

# Model DW20 & DW40

A cost-effective range of wet or dry vacuums delivering powerful, reliable performance and effortless manoeuvrability for small to medium areas.

## 3-IN-1

Wet or dry vacuuming with an integrated blower function for clearing debris from hard-to-reach areas

## SIMPLE

Single-switch control and a quick-release hose make changing between wet, dry and blower modes effortless

## EASY

Tank latches allow for convenient tip-and-pour emptying

Screw-cap drain plug (VA40) enables clean, controlled draining

## VERSATILE

Available in two sizes and effective on a variety of hard floors and carpets

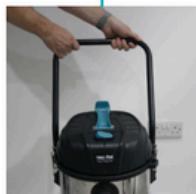

## FILTRATION

Quickly switch between sponge and HEPA 13 for wet or dry applications

## DURABLE

Robust stainless-steel tank ensures long-lasting reliability, while the push handle (VA40) improves manoeuvrability

## EFFECTIVE

Large capacity and compact size for small to medium cleaning areas

## ACCESSORIES

Comes fully equipped with on-board tools and an all-in-one wet/dry floor nozzle

Dry accessories are fully compatible with the VTVe range
